Emaar Properties PJSC
Corporate Governance Report for 2018

This report is issued annually by Emaar Properties PJSC (the "Company") pursuant to the provisions of Article 52 of Resolution No. (7/R.M.) of 2016 issued by the Chairman of the Board of Directors of the Securities and Commodities Authority regarding the Standards of Institutional Discipline and Corporate Governance of Public Joint Stock Companies ("Governance Resolution").

1- A clarification of the procedures adopted by the Company to satisfy the requirements of the Governance Resolution in 2018, and how they were implemented:

Regarding the procedures adopted by the Company to satisfy the requirements of the Governance Resolution in 2018, we would like to confirm that the corporate governance framework adopted by the Company in 2017 complied with all main requirements and provisions provided of the Governance Resolution and, therefore, there has been no significant supplementary procedures applied during the year 2018 in this regard.

As for the Company’s approach in applying the provisions of the Governance Resolution, the Company implemented the various policies adopted by the board of directors of the Company ("Board of Directors" or "Board") in relation to governance, taking into account the interests of the Company, the shareholders and all other stakeholders, as follows:

A. Board of Directors:

The composition of the Board of Directors and its terms of reference comply with the requirements of the Commercial Companies Law, the Governance Resolution and the articles of association of the Company ("AOA"), as well as with other relevant laws and resolutions. Best practices and standards related to the functioning of the Board are also applied to the extent possible to increase its effectiveness.

The Company adheres to the terms of reference set out by the Board of Directors in relation to its composition, operating procedures and responsibilities as follows:

1. The Board of Directors has generally complied with the main requirements of its terms of reference with regard to various matters including, but not limited to, the number of Board members and the balance required among its members according to the specified standards, the terms of membership and the responsibilities of the chairman of the Board ("Chairman"), and in general the number of meetings to be held, the quorum required for meetings, and the
majority needed to make decisions, the conditions for decision-making and the technical skills required for the membership of the Board.

2. The independent Board members confirmed that their independent status remained unchanged during the year 2018 and the Company verified that the legal requirements regarding the minimum number of independent Board members are satisfied.

3. The Board of Directors recommended the payment of an annual bonus to non-executive directors for the year 2018 totaling seven million nine hundred seventy-four thousand UAE Dirhams (AED 7,974,000) subject to approval by the Company's annual general meeting in accordance with the relevant laws, regulations and the AOA.

4. The Board acknowledged the responsibilities, duties, powers and other requirements necessary for its functioning through the terms of reference of the Board of Directors.

5. The duties and responsibilities of the Chairman of the Board of Directors include the duties enumerated in the Governance Resolution and have been specified in the terms of reference of the Board of Directors.

6. The terms of reference of the Board of Directors outline the duties of the Company's management toward the Board of Directors. These duties include, but are not limited to, organizing an induction program for new Board members and providing the Board with regular information to enable the Board to carry out its duties efficiently in accordance with the relevant laws, regulations and the Company's policies.

7. Some of the powers of the Board of Directors are delegated by way of a clearly defined authority matrix approved by the Board. This authority matrix is periodically reviewed and communicated to the relevant members of the management to comply with it.

8. Board members are subject to special disclosure obligations, including, but not limited to, any positions they hold in other joint stock companies, any change to their independent status, dealings in Company's securities and any changes to the information they are required to submit annually as soon as such changes occur. Moreover, a Board member is required to provide full disclosures in respect of any matter being reviewed by the Board or any of its committees in which he has a conflict of interests.

B. Committees of the Board of Directors:

The Board of Directors established four committees, as follows:

(1) Audit Committee,

(2) Nomination and Remuneration Committee,

(3) Investment Committee, and
(4) Risk Committee.

Other committees may be established as may be decided by the Board. Each Board committee acts in accordance with its own terms of reference.

All terms of reference of the committees are approved either by the Board of Directors or by the concerned committee and these terms of reference are all consistent with the requirements of the Governance Resolution. The terms of reference of the Board committees include, but are not limited to, the role of the committee, the requirements for its constitution, the duration of its membership, the duties and powers of its members and its operating procedures.

The requirements relating to independent and non-executive members in the composition of the Audit Committee and the Nomination and Remuneration Committee as provided in the terms of reference of these committees have been complied with.

C. Internal Control

The Board of Directors has established an internal control system in the form of an internal control policy. This system aims to assess the methods and procedures of risk management, ensure proper application of the Governance Resolution, comply with applicable laws and regulations and internal policies, and review the financial information used in the preparation of the Company's financial statements. The Audit Committee assists the Board in overseeing the application of the internal control system, and the Internal Control Department coordinates the day-to-day operations related to this system.

The internal control policy requires that the Board of Directors periodically review the Company's internal control system.

D. External Audit

The external auditor is selected in accordance with the requirements of the Governance Resolution, the AOA and the applicable laws and regulations.

Once the general meeting approves the appointment of auditors, the Audit Committee informs the external auditors of the conditions and restrictions related to their tasks, considering the requirements of the Governance Resolution.

E. Code of Professional Conduct

The Company adopted a code of professional conduct outlining the ethical standards of the Company, its duties toward different stakeholders, its due diligence obligations and its commitment towards compliance with all relevant laws and regulations.

Members of the Board of Directors, employees and internal auditors abide by these rules in the performance of their duties.
F. Policy for dealing in securities issued by the Company

The Board of Directors established a policy governing all dealings in securities issued by the Company by Board members and employees to ensure compliance with applicable laws and regulations.

This policy requires Board members and employees to comply with the restrictions on dealing in securities, outlines the disclosure requirements related to permitted transactions and clarifies the prohibited acts in accordance with the provisions of such policy.

G. Policy Outlining Shareholders' Rights

The Board of Directors established a policy clarifying the shareholders' rights including those certain rights provided by applicable laws and regulations and the rights stated in the AOA.

The purpose of this policy is to enable and encourage the shareholders to exercise their rights effectively.

H. Disclosure Committee

A Disclosure Committee has been established by the Company comprising senior members from the management team. The objectives of the Disclosure Committee is to develop systems to ensure compliance with applicable laws and regulations related to disclosure, upholding the Company's image, providing transparency to the Company’s current and future shareholders and other stakeholders and preventing exploitation of the stock market.
