Founders’ Committee Report

The Founders Committee of Emaar Malls Group P.J.S.C. (under incorporation) (the “Company”) is pleased to submit its report and the audited financial statements of the Company until 30 June 2014 provided for the purpose of listing, in addition to the information provided by the auditors on 10 September 2014 describing any significant changes to the financial statements relating to the following matters: (a) foreign debts (b) any distributions to shareholders (whether through dividends or repayment of loans made to the Company by the shareholders).

Main activities and review of business progress:
The Company is currently a Public Joint Stock Company (under incorporation), as per Law No 8 for the year 1984, following its conversion from a Limited Liability Company to a Public Joint Stock Company by virtue of a resolution issued by the Extraordinary General Assembly convened on 24 August 2014. The current share capital of the Company is AED 13,014,300,000 divided into 13,014,300,000 shares of AED 1 each. The Company shall be converted to a Public Joint Stock Company through the sell down by the Founders of no less than 15% of the share capital to the public, and the listing of the shares on Dubai Financial Market. The Securities and Commodities Authority approved the prospectus issued in this respect. One of the Company’s objectives behind the sale of shares is to allow the selling Founders to sell part of their shareholding, generating increased trading liquidity in the shares of the Company and raising the Company’s international profile.

The primary objectives of the Company are retail set-up, development and management; ownership and operation of shopping malls and all related services and activities; facilities management services; fish and live animal trading and breeding of marine species and animals; development, management and ownership of aquarium parks; development, management and ownership of ski domes and skating rinks; management and ownership of electronic game arcades and kids amusement arcades and advertisement designing and producing. In fulfillment of its objectives, the Company may, conduct all operations and take all actions required for the due performance of its activities within and outside the UAE. The Company may have an interest or may participate, cooperate or acquire by all manners with any other entity or company within or outside the UAE provided that their activities are similar to the Company’s activities.

2. Future strategy
The Company intends to (i) deliver long term growth through active tenant portfolio management, (ii) maximise returns from our existing portfolio through active asset management and expansions, as well as development of new assets, (iii) fund growth opportunities and dividend distributions while maintaining a conservative capital structure, and (iv) improve brand awareness to drive footfall and support tenant sales growth.
