Strong fundamentals
Mohamed Alabbar, Chairman of Emaar Properties, said that the strong half-year results highlight the success of Emaar’s growth strategy to consolidate its position as the largest developer of iconic projects in Dubai with a sizeable sales backlog, and to build its recurring revenues.

“We are in one of the most exciting phases of our growth story having launched a brand-new icon for the city – The Tower at Dubai Creek Harbour - and the imminent roll-out of Dubai Opera in Downtown Dubai. We are scaling up our malls business with the launch of a Retail District in Dubai Creek Harbour and the expansion of The Dubai Mall. We are also strengthening our hospitality portfolio with 35 new hotels and serviced residences in the UAE and international markets.”
He added: "Our commitment is to create long-term value for our stakeholders, and in this, we are inspired by His Highness Sheikh Mohammed bin Rashid Al Maktoum, UAE Vice President and Prime Minister and Ruler of Dubai, to challenge ourselves and push our boundaries.
